

# AirTV™

**HD**

## Watch FREE Local TV in HD

Watch the local channels you love without the monthly bill and without the unsightly wires and cables.

### FEATURES

- ✓ Stream local channels over your home WiFi network.
- ✓ Watch local news, sports, and entertainment channels in HD.
- ✓ Watch your favorite channels such as ABC, CBS, FOX, NBC, or PBS without the monthly bill.
- ✓ Take local channels anywhere on a phone or tablet.
- ✓ One antenna powers every compatible internet connected TV and device in and outside your home.

### What's in the box

- AirTV
- Quick start guide
- Power cable

### Take your locals on the go

Don't have Sling TV? No problem, you can use the Sling TV app without a paid subscription to give you the freedom to watch your favorite local channels in HD wherever you are.

AirTV also works with the free AirTV app.

AirTV connects a single over-the-air HD antenna with your home Wi-Fi network to seamlessly stream local channels in HD throughout your house, and even outside the home.

Device limited to 2 streams at one time. Only 1 stream can be used outside of the home network.

### What you'll need

- Android or iOS mobile device (phone or tablet) for setup
- Over-the-air HD antenna and coaxial cable
- Broadband internet access with WiFi for streaming
- Media streaming device to watch on a TV
- Sling TV or AirTV app to access your channels
